Pande, tried all gods and finally believed in Jesus, Mohan Rao and his wife Lakshmi also believed in Jesus and Venkamma after her deliverance and healing came forward to take bapitem and giving testimonies.

Greetings to you in the precious Name of our Lord and Savior Jesus Christ. One way we are very happy to come to Finland for a short time we have seen wonderful things God has done in Finland when we visited some Churches and in some meetings. We were able to visit our precious friends India Mission team at Kovula, and also met Rauno Helpi and his wife and share how Gods Mighty hand is moving over India . we are not able to meet all our Prayer partners in North Finland,as the time of our stay is very short. Even then it was miracle that Elvi has undergone treatment for her varicose veins, she was able to attend the meeting by traveling hundreds of kilometers with painful legs. During this visit God has opened new opportunities to meet some new friends and This time New friends also joined hands to support some Children and some pastors.

POLITICAL MIRACLE. God allowed Congress Party to come to the power in the General Elections. and all minority communities specially Christians are having a sigh of relief and we believe that God only gave this opportunity to win some souls and drag some people out of fire. God gave us another five years time in India to Preach Gospel . we also believe that in our Generation The Rapture will happen at any time we should not neglect to win some souls as it is last opportunity and final Grace period to reach the unreached.It is the duty of every believer in the world not to waste time and join hands as the Lord leads to win Souls and participate in the greaty final Harvest time.

In the Book of Esther, Haaman the wicked minister of the king Ahasuerus wanted to destroy whole Jewish Community. You know the king Ahasuerus is Mighty man who married Esther a humble Jewish girl and made her his Queen and . When all Jews prayed together , the Living God gave victory to Jews and saved all Jews from th hands of wicked minister Haaman.If you read the book of Esther 4:16 ,..The Queen Esther said,"Go, gather all the Jews to be found in Susa, and hold a fast on my behalf, and neither eat nor drink for three days, night or day. I and my maids will also fast as you do. Then I will go to the king, though it is against the law; and **if I perish, I perish.** "Even to day God gave the same burden to believers in India to fast and pray .The result is wonderful. Some Hindu religious parties wanted to come to the power during this Genaral Elections only to destroy Christianity in India. But their efforts were failed ,God Protected us as we are in the precious hands of Living God.

God gave us safe journey from Finland to India. All our believers told their experiences how God is helping them to experience miracles in our absence. Jojamma ,One lady from Gunadala is demon possessed and brought to our Church in our absence. and the people came to know that we left India and reached Finland. The ladies condition is very bad as she was not able to eat food for two Months as the demon want to starve her and kill .. She was Catholic Christian and more than twenty Catholic Priests and Nuns started praying for her deliverance They failed in all their efforts to caste out the demon from her.. She was very much disappointed as they came to know that we are not available to pray for her deliverance.

One of our Church believers by name Sarojini who got the gift of command over demons told them that she can pray. God answered her prayers and the women got deliverance within few minutes. It is proved even in our absence God is working through insignificant, and ordinary believers like Sarojini to be the instrument to manifest Gods Mighty Power.

There was Sunday School retreat for seven days was conducted by the Church Youth.Two hundred children from surrounding villages attended and more than 12 children gave their hearts to Jesus. There was a Youth Retreat just like summer youth camp . . During the Youth Meetings time, Ten thousand Rupees were spent for the books , Stationery ,food

and refreshments purpose. Soon after we reached six people took Baptism. Mansoons were delayed during this year. Hindus started worshipping idols and making prayers to god of rain. Even sometimes we are wondering why God is not answering our Prayers also Answer came to us that we are in the end times Famines comes, Swine fever and other calamities like Solar eclipse we are witnessing as it is written in Luke Chapter 21: 25 "And there will be signs in sun and moon and stars, and upon the earth distress of nations in perplexity at the roaring of the sea and the waves, Verse 26, men fainting with fear and with what is coming on the world; for the powers of the heavens will be shaken and verse 27 And then they will see the Son of man coming in a cloud with power and great glory.

This is the reason why even the Christians are also suffering and facing problems. Good News is Our sufferings are for very short time. We encourage each other soon we experience Historical event **The Second Coming of Jesus Christ.**

Elvi is blessing Adilakshmi when she got deliverance

CHURCH ACTIVITIES

DEMONS CAN CAUSE ACCIDENTS. Mary came for prayer in a cottage prayer meeting. One week back she met with an Bus accident in which two people died. While Peter is praying she went to trance and the demon told the amazing fact that the Bus accident was caused by Evil Spirits. In some places frequently accidents happen. But very few know that the Evil Spirits can cause Accidents, and some times the demons possess drivers and make them dizzy. Soon after the accident happened Bhu lakshi one of our believers informed us to pray for Mary. At that time we do not know Mary is demon possessed. We believe because of the prayers The demon could not do any harm to Mary and Mary went back to her village happily.

DEMONS CAN POSSES AND MAKE A PERSON TO JUMP INTO WATER. Sudhakar is the second son of Mary and Suresh of Nidamanur, 6 km to our place. Some times he is suffering from evil spirits and he was not able to control his anger. Several times he tried to commit suicide. During last week of July he quarreled with his brother and jumped into a nearby canal. He was rescued by some people. Mary and her husband Suresh are asking all of us to pray for them. In the February prayer letter we mentioned about this family that poisonous snake was moving in the verandah.

ADI LAKASHMI

Adi Lakshmi is suffering from leg pain. Her husband's name is John. As a mason he earns six thousand Rupees but he used to waste his earnings for drinking and there is no peace in the home. One of our Church members requested John and Adi Lakshmi to come to the Church. Adi Lakshmi wanted to get rid of her legs pain and asked us to pray. Elvi put her hand on her and she was falling backwards. Some people hold her not to fall and the demon came out of her and instantly Adi lakshmi got relief from her pain. She accepted Jesus as her personal Savior. We are praying for John also to come to Jesus. But he is hardening his heart.

Adilakshmi was demon possessed was delivered and Jesus healed her leg pains

Joh 3:20 For every one who does evil hates the light, and does not come to the light, lest his deeds should be exposed. According to this word some people do not come Jesus because of their deeds are not good. We told Adi Lakshmi to pray for her husband so that God may change his heart.

SUNEETHA is 23 years old and married. Her husband is living with another married women. Suneetha came first time to our Church and asked Peter to pray for her husband may come back to her. Actually she do not know that she was possessed with evil spirits and that is the reason for her troubles. Peter prayer for her and she could not control herself and fallen on the ground. When Peter commanded the demon in the Name of Jesus, The demon went out of her and she experienced great relief. Instantly she accepted Jesus as her Personal Savior. After one week Suneetha came to us and telling that her Husband came to her and told her he is not happy with the other lady and want to come back to Suneetha. We are really surprised how quickly God answers our Prayers.

Vijaya Lakshmi our Church member is always bring new souls for Christ. One day she told us that she is very sad for one lady by name Ammaji is suffering from Brain Fever (meningitis.) The Doctor said that with in three days Ammaji will die and there is no hope for her survival. VijayaLakshmi visited her and asked her to give her heart to Jesus. Ammaji requested VijayaLakshmi to send a word to Peter and Elvi to pray for her recovery. That was Friday Every week more than hundred believers gather in our Church and Pray for sick people and spend time in prayer. Vija

RajyaSri was wondering and watching her brother delivered from evil spirits when Peter is praying

Lakshmi told us about Ammaji's condition to us and we started praying for her. This incident happened at the time we came back from Fin Land to India. Already two months over. Ammaji did not die and recovering from her sickness. When VijayaLakshmi asked Ammaji to come to the Church she said She is not willing to come to Church because her husband do not like Jesus. In the Bible in Gospel Lu 17:17 Jesus said, Were there not ten cleansed? But where are the nine?

Every day we see so many people come to us and our Church members also go and tell about Jesus and pray. People experience Gods love but very few will have the heart of gratitude.

KOTESWAR RAO never visited Church and no body told about Jesus who can save and heal. Hymavathi and Surya Narayana are our Church Believers and Koteswara Rao is the brother of Hymavathi. The condition of Koteswara Rao was very serious and was admitted in the Hospital and he was put in the intensive care room. Hymavathi visited him and told us to pray for his healing. Peter said whether she told about Jesus to him or not. She said she was afraid to tell about Jesus because he do not like Jesus. Peter said how he know if Jesus heal him.? We started praying for him and Hymavathi told good news of Jesus and Prayer changed his heart and he is healed and came to the Church to Glorify God.

VENKAMMA is sister of Subbamma who is very active in winning souls for Christ. One day Subbamma's sister Venkamma was admitted in the Hospital and her uterus was removed. She was very week and lot of blood was lost in the operation. She was staying at Nandigama Hundred kilometers to our place. Just for name sake she used to go to Church in

Venkamma was taking Baptism after delivered from Evil Spirits

Nandigama .While praying for Venkamma some believers felt that she was possessed with powerful Evil Spirit. The local pastor and his wife admitted that it is beyond their capacity to drive away the demon and advised to go to a gifted person to get rid of this Evil Spirit. Peter insisted Subbamma to bring Venkamma so that we can pray for her. It has taken one week for us to drive the demon completely from her. The husband of Venkamma is getting information through cell phone and realized that Jesus only healed her and gave her back to him. Now he is humbling himself in the presence of Jesus. We advised Venkamma to pray to Jesus and insist her husband also to give his heart to Jesus. She took Baptism and went home happily.

RAJESH is 15 years of age was brought to our Church by Sambayya who is our Church member Once Sambayya was physically handicapped and due to weak legs he could not walk. God gave him legs and now God gave him a own taxi and his desire is to show the old photo to the customers and tell them how Jesus healed and give them Gospel while he is driving on the Road .

Saleem Bhasha Muslim Young man came with urin problem and God healed him he gave his heart to Jesus.

Sambayya told us that the condition of Rajesh is very serious. What ever food he eats he is vomiting. And Doctors could not understand his problem. Only they can say that his liver is infected and damaged. Peter touched Rajesh and he went into trance and demon told us that at Kankipadu a village Rajesh visited the demon caught hold of him. The demon already made one person in Kankipadu to commit suicide by hanging. The next victim was Rajesh. Ravi the father of Rajesh and his mother were spell bound when the demon revealing terrible things through Rajesh. Peter blessed food and gave to Rajesh. For the first time after fifteen days Rajesh ate food and he did not

Rajesh received Jesus and in the same night he slept in the Lord with heart failure. Healing was not taken place but he got welcome to Heaven

Lakshmi is so happy to take baptism after she gave her heart to Jesus and prayed for her husband's Salvation. Her husband Mohan Rao was saved and took baptism along with Lakshmi.

vomit. The parents got good faith on Peter that he can bring people from death to life. Peter told them that the miracle of deliverance happened not by Peter and Elvi, But by Jesus only. Only Rajesh gave his heart to Jesus and asked Jesus to come into his heart. But the parents are not ready to give their hearts to Jesus. By looking the condition of Rajesh Peter told them to take him to hospital. Actually they brought Rajesh from Hospital only. The Doctors are carefully watching ,and at id night God called Rajesh to Heavenly Glory. The parents could not digest the heart braking incident and became bitter to God and burned his dead body as all his family members refused Christian burial. Just before the body was taken to the burial, the mother of Rajesh asked peter to come and put hand on the dead body and bring back her child to life. Peter went and prayed for the comfort of the broken hearts. He told the mother of Rajesh that he went to Heaven. We also very much desired but God silently talking to our hearts that our Goal is not to stay in this world permanently but God is teaching us not to think of staying permanently in this temporary world but to reach the eternal Home.

EXPERIENCES IN FINLAND.

It is really Gods plan to visit Finland. God helped us to stay comfortably in Pentti's home and also several homes God opened for us to stay and also transportation was arranged and people took us to the places where the meetings are arranged. In each and every Meeting place The Holy Spirit inspired and touched the hearts and People, When we preach, and people experienced refreshment of the Holy Spirit. God used in several needy places we experienced In the Name of Jesus Evil Spirits came out from the people . God took us to the most of the places where doctors did not give any hope to the people. We are very much praying and desiring that God may open doors for us to stay in Finland at least six months. During our Finland trip , our main theme of the messages are based on the following Verses in the Bible.

We are called by God, We are called **to be Holy.** We are **called not to be deceived by Satan,** And we are called to lift our heads up.

Luke 21:28 And when these things begin to happen, then look up and lift up your heads, for your redemption draws near. WE are living in this world not by Chance. God Called us. **Gods call to us according to his purpose .** Rom 8:28-30 We know that in everything God works for good with those who love him, who are called according to his purpose.

Gods call to us to be Holy. 1Th 4:3 For this is the will of God, your sanctification: that you abstain from unchastity. God has called you to holiness; he requires that you should be holy.

Gods call to us to Suffer. John 16:33 In the world you shall have tribulation, but be of good cheer. I have overcome the world.

We are called to know that our time and the Devils time is short.

Re 12:12 ¶ Rejoice then, O heaven and you that dwell therein! But woe to you, O earth and sea, for the devil has come down to you in great wrath, because he knows that his time is short!" that is the reason Devil want us to close our eyes not to think that there is lot of time to live in this world and Rapture may not come in jour life time. It is nothing but deception of Satan.

Paul is giving us the warning in 2Cor 11:3 But I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ. 2Co 11:14 And no wonder, for even Satan disguises himself as an angel of light.

.Jesus gave direct sign for His coming that which Generation will experience the following Signs that is the time ,That will be the time of His coming. Lu 21:26 men fainting from fear, and expecting those things which have come on the earth. For the powers of the heavens shall be shaken.

Lu 21:27 And then they shall see the Son of man coming in a cloud with power and great glory. Do you know why God is allowing Swine Flu , Solar Eclipse Global warming Famine They are happening in the world not by accident. They are the Signs of End times.

God protected us from Swine Flu While we are coming back to India ,even thou most of the people are covering their noses in the Airports. Even in India one person died, and there is too much fear in Indians as the victims of Swine Flu are increasing day by day.

God only took care of us. protected us in all the places we visited and brought us back home safely. Next year Elvi has to come to Finland and visit Indian Embassy to get extension of her Visa to stay in India for few more years.
