People attended at the time of Convention

Dear prayer partners

Greetings to you all in the precious Name of our Lord and Savior Jesus Christ. Jesus is coming soon is our urgent message we want to convey to our prayer partners. Because one reason the situation in the world affairs like radical changes in Islamic kingdoms and when we watch news channels how quickly Islamic nations are planning to attack Jerusalem and already the new government in Egypt is turning against Israel. See Lu 21:20 ¶ And when ye shall see Jerusalem compassed with armies, then know that the destruction of Jerusalem is very near.

Setting dates for Jesus coming is deception of Satan but Signs of end times are clearly showing that we are in the end times.

Lu 21:8 And he said, Take heed that ye be not deceived: for many shall come in my name, saying, I am Christ; and the time is coming near: go ye not therefore after them. If you want to see the link in the internet.

Bible is clearly telling in our Generation He is coming in the clouds and we strongly believe rapture will take place.

That is the reason why we are preaching in the conventions and going to the out reach Gospel campaigns Cottage prayer meetings and encouraging all our church members to win souls for Christ.

People who came to the Meetings have experienced Gods presence in the Convention times:

In the Month of Feb 16 to 20th for five days we have conducted Annual Conventions in our Church Compound and more than Two thousand people attended to hear the Word of God and some non Christians were brought through our Church members and they could see the Power of the Holy Spirit working in the Meetings and Glorified Jesus

Linga Rao who is a medical helper living in Warangal forest area. He was attracted by the literature of Maoism who believe to get power by violence and became active member in terrorist activities . Police are hunting for him to catch him dead or alive as they are involved in kidnapping killing carrying explosives and guns. He happened to come to our area hiding his identity and activities to escape from police search .One of our Church believer invited him to our Shalom Gospel Church . He gave his heart to Jesus and decided to

Pastor Linga Rao giving his Testimony how God changed him from Terrorism

stop terrorist activities .He surrendered to police and started new life as believer and now he is pastor for two Churches.

Linga Rao came to the meetings from Warangal , Twenty members from the Church of Linga Rao also attended the meetings and gave testimonies how gospel set them free. They sang nice folk song and His Church members entertained us with folk dance. They invited us to conduct meetings in that unreached area to spread Gospel of Christ. We made a Video cd of his testimony and many people are purchasing his testimonies in cd and showing to non Christians how Jesus can set free even Terrorists.

Nageswara Rao from Yerragunta Tribal village.

Twenty years back Elvi and myself went to Tribal Village and we conducted revival Meetings in the village and God inspired to construct one Church among the tribal people. As it is far away place we could not visit them regularly.

Devil inspired a local man named Koti , one of the elders of the village He wanted to keep his minor boy as pastor and did not allow any body to enter in to the church and locked the Church doors For his selfish motives he has to pay heavy penalty. One day his daughter died at the age of fifteen years. After her unexpted death , the family of Koti realized that the reason for her death is nothing but putting lock to the Church of Living God.

Nageswara Rao got heart attack and realised that he also failed to serve the Living God. God humbled the village people through sickness and famine in the area and they lost crops for several years. The church was locked for ten years as there is no pastor willing to lead them back to Christ..

Peter and Elvi started praying for the tribal village and God answered our prayers. We got assurance in our prayers that all the tribal village people who went away from God to their worldly ways will come back to Jesus

Recently the families of Nageswara Rao and Koti came to us from their village and started crying and repenting for going back to idol worship They humbled themselves and decided to go to the Church regularly and once again they are happy in the Lord.

God can teach lessons to his children some times in hard ways.

Recently NageswaraRao got heart attack and joined in the hospital for heart surgery. We came to know about his situation and prayed for him. Doctors again tested him after we prayed ,and found there is no need for Surgery . Nageswara Rao realized only Prayer Changed things.

God led a nice born again Pastor who belonged to their same Tribe to their village to conduct prayers on Sundays and now they are living for Jesus.

At the time of our Convention they joyfully attended our Meetings and glorified Jesus by sharing their testimonies with singing and dancing for Jesus.

Elvi is praying for the people at the time of Convention

People are filled with Holy Spirit.

There are Nine people came forward to take Baptisms on the last day of the meetings. Peter and Elvi felt that the Church members should have the filling of the Holy spirit so that they will be soul winners for Christ. It was so wonderful at the end of the meeting we started laying our hands and prying for them and many people were filled

Suneetha was delivered from evil spirits and she was healed from eye ulcers and infection

with Holy Spirit and as the result we heard a testimony from Sujatha who is one of our Church members she is uneducated lady. She got gift of delivering Evil Spirits Sujatha was inspired to pray for a lady who was suffering from evil spirits near to her house miracle happened. Instantly there are five demons came out of the neighboring lady and she was set free from evil spirits and she gave her heart to Jesus and now coming to the Church regularly. Suneetha a teen aged girl was suffering from eye problem Doctors found that in both eyes there are ulcers. Parents do not have sufficient money to go for surgery She was brought for prayer .When Peter prayed for her a demon

came out from Suneetha and she was healed from her eye infection. Suneetha's mother told us that day and night tears used to flow from her eyes and now she was healed from ulcers and her eyes are normal.. and there is no need to go for eye operation.

Kalyani received water Baptism

Our prayer partners know about Kalyani how God rescued her from her death bed God inspired her to take Baptism and she is one of the four members took Baptism recently. Total thirteen Baptisms with in one week time. One year back God gave prophecy to Peter that she is going to live and come to Church and give testimony how God healed her and delivered her from the possession of evil Spirits.

Peter and Elvi are blessing Kalyani after receiving Baptism

Demon possessed lady from Punadipadu got deliverance

Witch craft lady from Punadipadu was delivered from Evil Spirits.

A lady came from Punadipadu village twenty kilometers distances to the meetings and asked us to pray for her as she was unable to sleep .when we prayed for her a demon came out from her and speaking from her and told us that some neighbors made witchcraft to her and wanted to kill her The demon admitted that creating heart problems. In the Name of Jesus we commanded the demon to leave her.demon went out from her and she got deliverance. She received Jesus in to her heart and went home free from all demonic influences.

Problem in the heart of Elvi

Elvi is experiencing some problem in her breathing system .In the middle of the night she was not able to breath properly and some irregular heart beating So In the Month of January we visited Cardiologist Dr Ramesh well known doctor in the town and he tested Elvi and told elvi had problem of heart enlargement,For one Month Elvi is taking medicines and after one Month It was our Annual Convention time.

Elvi is supposed to take medicine for the noon time. But Elvi happened to preach and while she is speaking for long time , she felt some spinning in her head .After finishing her message she was about to go home to take medicine but on the way while she is climbing up steps she was collapsed on the steps. and some believers came running and put her on the bed and gave needful medicines.

After some time she was able to get up by herself and every body had sigh of relief. God only helped her to recover Meetings ended nicely and we met the Doctor. and they observed her heart condition through Angiogram test and told us that there is no necessity to undergo any surgery. Now Elvi is getting strength day by day.

Ramesh is rescued from death bed to life.

Ten years back Ramesh came to Elvi for prayer. He was healed and gave his heart to Jesus and he used to attend the Church regularly.

In the Monty of February Ramesh had severe problem in his heart , Doctors found Stones in his gallbladder and there was ulcer in his stomach. Aas he is anemic and no sufficient blood to conduct operation to him Doctors refused to conduct surgery to him Twenty nine members came forward and donated blood for him. Even then the Doctors said may be you can Pray to your God He may help you.

Peter and Elvi and most of our Church members earnestly prayed for his healing. Peter got assurance from God that the operation will be successful. After the Operation the Doctors are surprised to see his is alive

During the operation time Ramesh saw heaven for some time and it was very beautiful place with gardens and he is so young there . After some time when he opened his eyes he realized he is in the hospital bed. He realized that it is nothing but vision and praising God for his operation was successful. Now he is discharged Great joy and peace came not only to us but also to the family members.

Shyamala was healed .

Shyamala is our active church member. She was admitted in the hospital In the Month of February..Doctors found an ulcer in her stomach Her family members requested us to pray for her . Just

Shyamala is giving her testimony how God healed her and there was no need for operation

before the operation date Shaymala saw a dream. In that dream she saw some body came to her like peter Singh and blessed her and told there is no need for operation. On the next day she compelled the Doctors to test her stomach again to see the condition as she is feeling better. To their surprise there is no ulcer found in the stomach and operation was cancelled She was discharged and came to the Church in good health and gave testimony.

home from school and demon entered into her and putting chest pain and want to kill her. Peter commanded the demon in the name of Jesus and demon left her and

The Message of Elvi was broadcasted

Vijay is teen aged boy had Dingy fever Doctors said there is no hope for his survival God healed him just in three days as we prayed for him. and now he is active member in Church activities.

The Message of Elvi was broadcasted from the local television Channel People who watched the program told that they enjoyed very much. Many people were inspired by the message of Elvi at the time of Convention. She mentioned about the dangerous calamities which are going to come to the world Some friends from Finland informed us about the death of millions of birds and sea fish all over the world. We feel the dying fish and birds is also a sign of end times. prophetically Elvi told at the end of the Convention meetings , she felt that a powerful earth quake is going to come in several places of the World.

Just after one week afterwards , on Friday March 12th of 2011 We all came to know that Tsunami and earth quake hit Japan and in pacific ocean created terror all over the world. We strongly believe Jesus is coming very soon. when we see the present relevant signs of the end times, and according to Prophet Joel God will send Holy spirit and when we see many people were filled with Holy Spirit in our Church we felt we have to wake up the people spiritually sleeping condition and win some souls for Christ.

Thank you very much for all your prayers and faithful financial support. Continue to pray for us so that we will be like shining torches in this heathen world.

Thanking you ,

Yours In His Service,

Peter Ruth Elvi
