This Year God has given us special burden to give half an hour Television message by which we are able to touch more than one million houses not only in our town but also Krishna, Guntur and Ongole Districts. The response is so good, Suvartha T V Channel is happy to broadcast the same programme freely three times so that more people can get benefit from our Television Message.

Anointing of the Holy Spirit in the cell Phone.

Kasturi is a non Christian lady fifty years of age She was constantly living with fear. Her husband is mentally sick and left her ten years back.. One day she happen to meet our Church member Nirikshana Rao. He told her about Jesus and told that he alone can solve her problems. He gave the phone number of Peter and in the phone she started talking to peter and Nirikshana observed that she is shivering and about to fall on the road side Nirikshana Rao realized that there is demon in her and making her to fall on the ground he grabbed the phone and asked Peter to meet her in person . It was evening 9.0clock and Peter was able to meet her at her home and prayed for her. Powerful demon came out from her and because of the demon there is no peace in her home. There is Srinivasulu young man aged about thirty years of age witnessing how Peter is praying for her and how she is set free from the evil Spirit. He is very much interested in knowing more about Jesus and asked Peter can Jesus set him free from chest pain Peter said, if he believe in Jesus and accept him as personal Savior he can experience the power of Jesus. Peter put his hand on him also. In him also there is a powerful demon responsible for his pain in his chest for the last 14 years. Doctors conducted all medical tests all reports showed normal. In the Name of Jesus demon left him and he was set free from evil influence and both of them were so happy to experiencing the deliverance of demons. Peter told them to accept Jesus as their Personal Savior. They did so, Kasturi told Peter that in three neighboring families during few years of time, there was death in each one of the families either

by committing suicide of some accident. Peter told them how to pray to Jesus and asked them to come to Church to learn more about Him and bring others to Jesus. Kasturi became soul winner and already made one business lady to contact Peter for prayer.

#### Anointing of the Holy Spirit in the Television Programme.

There are very interesting incidents happening in our Ministry. It is taking lot of money for Studio rent. Professional T. V. Camera operators are demanding lot of money for editing and making T. V. programme ready every week. Making a programme is taking lot of time by taking an appointment from the Studio. We decided to start Studio in our own

place. After much prayer God provided a professional camera and also one of our Church members learned Video Shooting and Editing.

Now we are able to make our own programmes and sending weekly programmes to Suvarth T V Channel in Telugu language and the Gospel is going to every home in Krishna Guntur and Prakasham Districts. Millions of families are interested in watching Peters T V message. Not only that, Holy Spirit is inspiring the hearts of the people watching the Programme. One day after the Message is over we displayed deliverance of demon in our

Church worship time. Sreenu is watching the programme along with his family members. He never come to Church. Lakshmi a believer girl from our Church understood Sreenu is shivering while watching the T V programme in which Peter is casting out demon possessed lady. Lakshmi put her hand on Sreenu and commanded evil spirit to leave him. Elvi told in the Church to the believers that you may be ordinary but you are child of extra ordinary God. Lakshmi was inspired to command the demon in Jesus Name and it worked. She brought Sreenu to Church and he gave testimony that through watching Peters programme in T V God's spirit touched him and brought him to Jesus. Satan is very much angry with Peter.

In the Month of November One couple came to our Church for prayer. The man told peter that his name is Ram Babu and his wife's name is Aruna. They are active participants of Roman Catholic Church. One day she was sitting behind her husband driving motorcycle and fallen on the road and she had head injury. For the last one Month Aruna is behaving very strange way desire to smoke like male person, drink alcohol and not able to sleep. Actually she was possessed by demon and the demon is behaving just like her husbands own brother who died recently. Some body advised them to contact us. When they came to us for prayer Aruna started looking at Peter very angry way and told Peter that she want to beat Peter and telling that she is very much angry with Peter. It has taken three days to drive the demon out from her, first day the demon is angry ,second day demon is mocking and laughing at Peter and not obeying him even though he is commanding in the Name of Jesus to leave her. Peter realized that she is wearing some Rosary, a form of devotion to the Virgin Mary and Peter told her to remove it from her neck. It was like a big blow to her Catholic Faith. When they removed it Peter experienced Victory. On the third day, when they removed it from her neck, the Demon started shivering, crying and begging Peter not to drive him away from her. Finally the demon in Aruna left her and she experienced great relief. Ram Babu told us that he never saw this kind of deliverance in his lifetime and both of them received Jesus as their personal Savior.

Doctor said she will die but Jesus gave her second chance and healed Kalyani.

Kalyani came from nearby village Enekepadu to our Church for prayer She is Hindu and while Peter put his hand a demon came out and left her Peter told her to give her heart to Jesus but she did not have desire to become child of God. After she was healed she did not come to Church. After one year our church people told us to go to see Kalyani and pray. They told that she had brain fever and Doctor told her parents that she is going to die soon. Medicines are not helping her. Kalyani's

parents are Hindus and the custom of Hindus is that if a person is ready to die family members will keep the person outside the house and keep the person in the verandah, because if a person die in a house the house will be defiled. When Peter visited Kalyani she was kept outside place in a small shed. The place is very cold and plastic sheets were hanging around the shed. Kalyani is not in a position to recognize the pastor. she was gazing at the roof and not able to speak. Some unqualified doctor is putting saline bottle to her skinny hand. All the family members are waiting to see the time of her death. But they have faith on Peter not in the Name of Jesus. Jesus inspired Peter to tell them that Kalyani will get up and Jesus is going to heal her. All the family members eyes are bright when Peter gave very daring statement. There was a ray of hope in the hearts of Hindu family members. Peter told them that he is not faith healer but instrument in the hands of Jesus who is living God. And told them that it is not good for them to invite Jesus only to get healings and hide their faces not to come to the Church. The impossible miracle will happen only if all the family members humble themselves and give place to Jesus and put trust only in Jesus you will see how Jesus will enter into their home and live with them. Peter prayed and came back home. For one week we had no time to go to see Kalyani. Phone call came from the mother of Kalyani that Kalyani started speaking and recognizing the people and recovering day by day. They took her inside the home as there is no fear of death. You can see the photo in this prayer letter. Now all the members are believing Jesus only.

Snakes also can obey the commandment of a believer.

Daveedu is one who used to criticize Christians but now he is good believer. He got great desire to win all the members of his village for Christ. After coming home from work a team of believers used to gather in the Church constructed by us fifteen years back. One night David went out and coming back to the church to sleep there after prayer is over. When he is about to come inside the Church he experienced some pain at his heel. He ignored it and came inside the church to pray again. Suddenly a Cobra a poisonous snake came inside and David said to the snake to go away. The snake obeyed him and went out to the darkness. Then he realized the reason for the pain in his heel. That same snake has bitten him and his heel is already having two wounds and bleeding. David realized God only brought the snake to make him understand that the reason for his bleeding is nothing but snake bite. Then he went out with his friends to get herbal medicine for snake bite. He is now out of danger. Is it not true that you are in Gods hands and He hides you in in His eye lids.

Husband of Kashi left her but Kashi decided to follow Jesus.

One year back Kashi came to work in Bethany Home as caretaker of Bethany Children.. While she is working with us she gave her heart to Jesus and want to follow him. Her husband is having all kinds of bad habits and grab all her savings and beat her and asked her to leave her faith in Jesus and follow him to worship Hindu gods. Kashi told him that she love him and want to live with him only if he also believe in Jesus. They were separated because of their faiths. Kashi is praying for her husband's salvation and expecting that Jesus will change his heart and restore her family relation.

Once Linga Rao followed doctrines of Mao and took the path of violence by carrying gun. Now Jesus gave him path of love and carrying Bible.

Pastor Linga Rao was Hindu and used to hate Christians. His family worships god Siva. He was attracted by the literature of Maoists who believes only by gun point humanity will get peace and prosperity. Soon all his team members were caught by the police, but police were searching for Linga Rao. For one year he managed to escape from the police search team. But one mid night police found him when he was sleeping in a house

and woke him up with gun point. There was no escape for him and police took him to the custody with high security. Linga Rao heard that police are planning to take him to a place Illendu forest area decided to kill him in encounter. Time was set for his death early morning four o'clock. Linga Rao heard about Jesus some time back and first time expecting a miracle from God. He wanted a sign. If any living God is there he should deliver him from the hands of Police. On that night a police came and untied his hands and legs and he was released from the police custody. God brought him to

Shalom Gospel Church area and his faith was rooted in Jesus Christ strongly and according to Gods call he became pastor in the same communist area and became soul winner for Christ. Recently we produced his testimony in a video and releasing it . Sujatha was brought by our Church members to us and a powerful demon left her when we prayed immediately she accepted Jesus into her heart stopped worshipping idols and living for Jesus. Recently her husband came to know that she is suffering from HIV Positive. He was afraid of living with her and left her. But God gave Sujatha great peace and she is staying with her parents. Now she know even husbands may leave but Presence of Jesus and peace in her heart will never leave her. Holy Spirit gave her Hope that she belong to Jesus .In her situation any body can get depression desire to die. But she do not want to give up. There is another Sujatha in our Church living for the last fifteen years with HIV positive. Her husband died with same sickness. God gave her Story of Rajeswari.

great gift Smiling face.

We call her Raji. Her name is Rajeswari. Her father was alcoholic her mother was believer in Jesus. Raji had one sister and one brother. One day under the influence of Alcohol father put kerosene on mother of Raji and set fire. While she was dying father repented and tried to quench the fire but both died. We have taken three orphan children to Bethny Home and one day Raji sang song in our TV show. Recently a women by name Anjili who is demon possessed came to us for deliverance. The demon suddenly entered and pushed Raji from the two story building to the ground. Her hip and broken and her left leg bone was broken into three pieces. Just

like flash the demon left while Raji is falling down. People and some of our family members blamed us for dealing with demons. It happened while people were watching but there was no time to rescue her. It was big test for our faith. We took strength from God only and God did not allow devil to touch the life of Raji. Expert Doctor Conducted operation and Just with in two Months Raji was able to stand and slowly walking .

Conclusion

Please pray Life is not a bed of roses. Recently one Missionary organization supporting one pastor in Proddatur village, very near to our native place winded up and very big building is put for sale. One Pastor just twenty kilometers to our place committed suicide Six Months back because no body think about him and he did not disclose his financial problems to any body. He took hasty decision.

The offerings he get were not sufficient and there was no way to pay his debts, one day he told his wife that he will come soon

Went out side put poison in cool drink wrote letter to his wife drank and died in outskirts of Gannavaram. Joseph Raju came to me we supported him four years as his church members half of them are farmers lost all their paddy crops and just before harvest recent flash floods damaged paddy fields and asking us to pray for him. There are two hundred pastors who are in touch with us. We are surviving because of your prayes. and some of you are remembering pastors in your prayers and encouraging them time to time. Recently Six pastors came to us who are having heavy financial problems and promised to give some help for six Months.. One pastor is crying holding Peter's hands and said This is the proof that God did not ignore us we have no money to feed the children and pay the school fees. and requesting us to convey thanks to the sponsors. All our local Church members Bethany Children and Pastors are conveying Special Christmas and Greetings for New Year 2011.

Our Hearty Greetings to you all from Peter Ruth and Elvi.

Thanking you.

Yours in His Vineyard,
