*Ruth Kavitha is taking Baptism.*

Greetings to you in the precious Name of our Lord and Savior Jesus Christ. It is great pleasure to write this prayer letter to you because God has done wonderful things to us

For the last three Months peter is almost all in the death bed. There is no hope of survival. Because of your prayers and saints from all over the world earnestly prayed for peter and as the result God lifted him from the death bed and slowly he is gaining health and strength. Doctors found Peter got Hepatitis C virus. One day the urine did not come for couple of days. His blood sugar went down and he is about to go to coma. With out any delay he is taken to the hospital. Doctors put tube and extracted stagnated urine. They found there is fungus in the urine bladder and through endoscope they rectified problem Second one Kidneys infection and third one is there is strange growth inside the jaw bone and doctors are suspecting that here is cancer. God prepared one doctor and he took biopsy and medical reports showed that there is no cancer in the gland. Now Peter is gradually getting better and able to eat food by himself. For three Months he used to take only liquids. Now he is free from head ache ear ache and sleeping nicely in the night times. Just before peter is taken to hospital for treatment God gave Elvi promise that He is going to do everything well. Yes God is faithful to His promises.

**Maria and her new born girl baby.**

Please pray for recovery of Elvi .She is slowly gaining strength by Gods Grace.It was very heavy responsibility to Elvi to take care of needful things to seventy orphan Children their cloths ,school dresses soaps shampoos and several other needful things and at the same time take care of Ruths lunch and other needful things. God konly gave her strength to do all these things.

Six Months back she was sick about her heart problem and when we went to Neelgiris she had stomach problem. In spite of her sickness and weakness she has taken very good care when peter is in his death bed. For three Months peter had head ache and Elvi also used to spend sleepless nights along with Peter. She used to cry and pray to Jesus spending hours together in prayer with tears and with mental agony. In daytime

she used to prepare vegetable soup and milk porridge for Peter by herself. It is because of Elvi's restless service Peter is alive to day. Four times God enabled Elvi to find out the condition of Peter in the midnight hour when his blood sugar going down, alerting people to take peter to the Hospital in right time. Everything happened with the Guidance of the Holy Spirit. Thank you for all your prayers to the saints from all over Finland. From Gulf and United States of America our relatives prayed and Hundreds of our pastors and believes of our local Church prayed with tears for Peters healing.

**RangaRao is healed from liver problem**

**Devi is pregnant after five years of her marriage.**

During these three Months the Church attendance increased .Unity and oneness of Spirit came and God is very near to every one of the Church members.God raised some of our believers to conduct worship service and attending to cottage prayer meetings as usual.Now Peter is able to take charge of Church activities.

When one of the Bethany children was demon possessed our senior school teacher Satyavathi commanded demon and the boy was set free from Evil Spirit. This way God is using ordinary people to do extraordinary things for His glory.

### **Church Activities.**

Peter gave Baptisms to ten people during the period of two Months. Our child Ruth Kavitha came to us and told that she is ready to take Bapthsm. God spoke to her and one day she expressed her desire to us..along with her our Bathany girl who is pregnant also took Baptism. It is great joyful time to each one of us.

### **Suneetha is set free from Evil Spirits.**

We would like to share some miracles happened in our Church . Suneetha is a teen age girl in our Church. Every week when we put our hand on her she used to fall and roll all over the stage. Peter asked the demon why every time troubling her .The demon answered to peter that she is hiding sin in her heart.

After some time the demon left her and peter asked her what is her troubling problem.She confessed that she is in love with a boy friend and she is always thinking about him. Peter knew that boy is wicked person and told her to ask God to remove his thoughts from her heart and that is the only way to get rid of Satan . Suneetha obeyed our advise and now she is free from demonic influence and dedicated her life to Jesus.

**Vijayakumari is healed from brain tumor.**

### **Ranga Rao rescued from his death bed.**

Ranga Rao is from Enekepadu village. No matter how much the family members praying for him he is not able to leave his bad habits. Several times his wife left him as he used to beat her when he is drinking alcohol. One day he is admitted in the hospital and Doctors said to him that he is going to die as his kidneys and liver were badly damaged. His sister Ramana asked Peter to pray for her brother. the Hospital with out any operation. He came directly to Peter and expressed his willingness to receive Jesus as his personal Savior. Peter gave him Baptism along with other four members and now God set him free from all his bad habits and he is believer living for Jesus. His his House is filled with heavenly Peace. No more quarrels no more beating his wife.

### **Devi received blessing by giving her heart to Jesus.**

Devi is living very near to our Church. Avulayya who received healing from Jesus started winning souls from his family members. He and his wife told Devi to receive Jesus. Devi's family members did not know about Jesus and tried to prevent her not to go to Church. After marriage for five years she had no children . Avulayya one of our Church believer told Devi to pray to Jesus and God can hear her prayers.

**Maria is taking Baptism**

Davi believed in Jesus and prayed for pregnancy. Now she is fifth Month pregnant. When this miracle happened her husband and other family member are interested to know about prayer answering God Jesus Christ.

### **Tragic death of Mercy Divya's Mother .**

Divya is our Bethany child. She is studying 6th class and her age is ten years only. Her father used to take alcohol and his wife used to come to us and ask us to pray for him. God changed him . One day Satan influenced Mercy and she had an affair with one young man and in the absence of Mercy's husband the young man used to meet her and all the village people came to know about

her misbehavior and rebuked her and advised her to stop the illegal contact. Mercy was so angry with the village people and under the influence of Satan she put kerosene on her body and burned herself at the gas stove flames At that time the young man was there and put a rug on the burning body and ran away. Bible says the wages of sin is death. She died in the hospital. Before her death Divya met her mummy and wanted to tell her to repent for her sins but she refused to listen to her. After her death people found her diary in which she wrote that she had no desire to see her husband and children but she wanted to see the young man with whom she had an affair and die. Divya came back to us and told us the sad story. The name Mercy is kindness but Satan made her heart as hard as stone.

### **Operation was avoided by prayer**

Vijaya Kumari Is coming to our Church for the last couple of years She is from Catholic background. Through her prayers God saved her husband RajaSekhar and living exemplary life among the catholic

locality. One day she had a problem and there was a tumor in her head and x ray was taken and Doctors expressed the difficulty to conduct operation. One night she prayed to Jesus and on the same night the tumor was burst and the next morning when she went to the Hospital the Doctors said there is nothing to fear and they gave some medicine and now she came to us and gave her testimony.

Appalanarsamma is an illiterate women but she had great faith in Jesus. Her husband Satyannarayana is idol worshipper and hindered his wife not to go to the Church. One day God changed his heart through his wife's prayers, and he took baptism.

After Baptisms receiving blessings

During the first week of September Apalanarsamma got a big lump with the size of her fist in her stomach. Her husband took her to hospital and the Doctors expressed their helplessness and her husband brought her home and sent a word to Church members to come and pray. Our Church

members four ladies went to her and put hand on the tumor and prayed. The next day there is no symptoms of tumor at all. Satyanarayana came to peter and gave testimony about the healing of his wife.

It is great joy to hear how God is moving among our church members and strengthening our faith.

We once again expressing our thanks for all your love .Prayers and financial support.

One appeal to all our prayer partners about the Pastors support .So far we are able to give Monthly help to the needy pastors. Elvi is not able to write personal letters to all the supporters as we feel it heavy burden. If God

lead you to extend support you are welcome and that amount we use it to needy pastors. Already this year we are having Seventy orphan Children and Elvi is taking care of each child and keeping them in touch with the Sponsors.

Because of your prayers and supporting them they are very much happy in the Lord and conveying their love to all the Sponsors.

Continue to pray for us. Your prayers and encouraging letters and e mails are great comfort to us. Conclusion.
