Dear Prayer Partners

Greetings to you in the precious Name of our Lord and Savior Jesus Christ.

We wish you all Happy and Joyful Christmas and Blessed New Year of 2010. Thank you all for your faithful support and upholding us constantly in your prayers and we strongly believe that because of your prayers we are able to labor in His Vine yard, especially in the end time God's Harvest fields, gleaning for Jesus in India, like Ruth who was gleaning in the fields of Boaz in old testament times. Specially serving the Lord in our Local Church and also in the surrounding un reached areas. We are happy to share some of the wonderful things God is doing not only in our believers day to day lives but also in the surrounding Villages when we go for preaching among Non Christian areas.

PROBLEMES ARE OPPORTUNITIES FOR GOD TO MOVE HIS HAND.

When we are in Finland we shared good news that our Andhra Pradesh Chief Minister came back to power and , went to Israel and took Baptism in the River Jordan , and visited Jerusalem and prayed to God of Israel to bless India, that God of Israel may give sufficient rains during this Monsoon Season. In our previous Prayer letter we shared about this incident. When Monsoons delayed for one Month (June) People started criticizing our Chief Minister when there is no rain people questioning him what kind of Gods rule is this? Do you remember King Saul in the Bible who was afraid of the people and ignored Gods commandments and finally went to witchcraft people to help him and finally destroyed his life and in the same way our Chief Minister went to Hindu priests and Muslim leaders to pray for rain. He offered gifts to Idols and worshipped for rain. He appointed hundreds of Hindu priests to build altars in a public Garden in the capital City of Hyderabad to offer sacrifices to Hindu Rain god Varuna. Peter told in the local Church mentioning about how the Chief Minister is worshiping idols to please people of all religions. I Cor 10:20 says "The sacrifices which the Gentiles sacrifice are to devils. The idol is nothing, but to the worshiper it is a reality. That reality is not God, but really a demon" Sad thing is no Christian gave warning to him to mend his ways.

India was shocked when the news came through news papers and Television the sudden death of Our Chief Minister . Clouds are not the rain god , In Rom 1:23 it is written that "they showed that they were fools by making an image, like man, or lower animals, and calling it a god". The first lesson we get from his death is he gained peoples hearts of whole Andhra Pradesh but he lost his soul. It is lesson for all of us that the friendship of the world is enmity with God. Second thing is we must hold fast our faith till the end of our life or till He comes. Third one is timely rain for the crops is blessing from Living God. And Floods are His Judgment.

YS Rajasekhara Reddi our Chief Minister believed that he has to pray to clouds nobody told him that clouds are not god and rain is coming from the hands of Living God. On the day of his death God send clouds not as blessing but as Judgment. The Helicopter in which he is traveling lost its way in the same clouds causing him miserable death.

Recently a movie came End of the world in the Year 2012 December 21st morning at 11 o'clock. Two thousand years back Jesus told the Signs of end times and they are fulfilled in our generation but the date is not set. When we are preaching about the signs of end times people are not interested to listen because in 2nd peter 3:4 it is written Where is the promise of his coming? This question is asked by the scoffers, as though the coming of Christ was so long delayed that all hope had ended It sounds the present days are just like in the times of Noah and the times of Lot in Sodom and Gomorrah.

Some time back a preacher is preaching in a Church on the eve of New year that we have to leave our sinful habits not all but at least few of them this year and face the New Year. Even to day many people are thinking that they can change their ways slowly. It is the work of the Holy Spirit makes a person new creature not by our efforts. We see in our ministry

Blessings after Baptisms

even illiterates and people not even know the name of Jesus are giving their hearts and experiencing miracles in their lives and we want to share some of the incidents happened in our Church

. DAYS ARE EVIL. Eph 5:16 Redeeming the time, because the days are evil.

Flood victims are walking in a main road in Maharashtra State neighbours of Andhra Pradesh State.

Bible says that specially the present days are evil. Peter in his message in the local Church inspired and said that the recent Solar Eclipse is a sign that some danger is awaiting for he mankind.. Most of the Church members did not take importance to the point that signs in the sky are directly related to radical changes in the ocean. Like floods and Tsunamis.

Solar Eclipse was visible in India on July 22, 2009 from early morning 05:28 hrs .Peter told in his message that according to Lu 21:25 "And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring"

To day we see earthquakes Global warming ,floods and famines and swine flu are Gods warning to our generation.

From July to September of this Year we experienced terrible incidents in Vijayawada and surrounding areas. Government took immediate steps to save the lives and Over 4.53 lakh people have been sheltered in 13,330 relief camps . A 500 meters long bridge across Tungabhadra river, 32 km from Raichur, was washed away in

flood waters, officials said. The Krishna River experienced the heaviest flood since 1903.

Nearly one and half Million people in Vijayawada lived for couple of Months in constant fear that the River Krishna may overflow and whole Vijayawada will be submerged in flood waters. The bay of Bengal did not receive flood water due to full Moon effect . Some of the roads and even Railway tracks were washed away by the flood water and thousands of villages were effected as the water was flowing from three to five meters high. Only god saved inhabitants of Vijayawada.

Rice bags were given to the flood victims at Krishnalanka area in three places

On 6 th of October Elvi and myself visited the place Krishna lanka area where people are living in the low areas of Krishna River banks. and met hundreds of people and we distributed Eighty Thousand Rupees worth of essentials things like Hundred blankets Hundred Towels 2,600 Kilos Rice to 260 families each family got ten kilos of good quality rice. Sixty saris were given to poor widows. at flood effected areas in krishnalanka with the guidance of local leader Mr Gandhi, Pastor Zachariah and Pastor Joshua

Elvi is giving saris to the widows at flood effected area.

ANNUAL CONVENTION

We are conducting Annual Convention in our Church premises for five days. From feb 15 to 19th . And people from five villages attend the meetings and free meals will be served two hundred people who are coming from nearby villages every day for five days. During this New year 2010 we are expecting preachers and experienced men of God from India and from Finland.

Friends from Finland are expected to come to conduct Pastors Seminar in the Month of February for ten days and participate in our Annual Convention from 15th of Feb to 19th for five days. And also visit some of the nearby villages to

preach the Gospel. As the time is short we have the idea to train at least Hundred pastors equip them with sound Doctrinal truths and send them to their own places to win souls for Christ.

Many preachers in TV programmes are using our songs freely and even through songs Holy spirit is touching the hearts of the audience and bringing them to the saving knowledge of Christ.

Pastor Jacharaiah is distributing ten kilos rice bags to his 60 families of his church members.

OUTREACH MINISTRY.

During this Month ,God inspired Elvi to come with me to preach and pray for the people. More than

Pastor Jakaraiah and his wife standing in flood waters at the front of their church.

Peter Singh is visiting Pastor Jakaraiah when Flood victims came back to their houses

ten people gave their hearts to Jesus and at the end of the prayer eight people were delivered from the evil spirits. It was non Christian area .There was heavy rain in the day time and in two evenings there is no rain in the evening meetings. and two hundred people attended in every meeting and eagerly listened to the Message. Many people listened the message through sound system from their homes. The pastor who invited us told that they could experience the presence and the power of the Holy Spirit.

OUR CHURCH MEMBERS EXPERIENCED GOD'S PROTECTION.

During the monsoon season in spite of the flood situation in our City outskirts our local believers comes from nearby five villages. And all villages are protected from

the flood waters, including our Church and Children Home area.

God provided sufficient caretakers to work in the Children Home. Ten members are working in Bethany Home and we took care of two orphan girls Vani and Mariya when they were small children. Now they are in teen age and working with us . Last Month our worker Sambayya took leave for five days and there was no body to milk the buffalo.

One non Christian man Prasad came to our home to milk the buffalo While he is milking the buffalo his three years old daughter touched electric wire by mistake and was attached to the electric grinder. Prasad's wife touched the girl and got shock .Somebody came forward

and pushed them away from the live electric wires and they were saved. When Prasad went home there was a big gathering of people. Prasad realised it is work of Jesus and made phone call to us and telling that when he is helping orphan children by milking Jesus saved his wife and daughter from death.

GOD CAN OPEN BARREN WOUUMB.

Grace got married and for 16 years she was barren. Two times she came to Peter for pray for children. Last week Grace gave testimony that fifth Month she is pregnant. Doctors are telling her that the baby is growing healthy. Recently a married woman by name Mrudula started coming to our Church and asked us to pray for children as she did not have children for the last eight years. News came from her that she gave birth to a boy baby and both mother and child are safe and it was normal delivery.

Ruth is distributing sweets and cakes to Bethaney Children.

our home to milk the buffalo While he is milking the buffalo his three years old daughter touched electric wire by mistake and was attached to the electric grinder. Prasad's wife touched the girl and got shock .Somebody came forward

Demon possessed ladies are falling and getting up in the name of Jesus after getting deliverance.

MIRACLE IN VINJARAMPADU VILLAGE.

Few years back in Vinjarampadu village the village president requested Peter to pray for rain so that with that one rain all the paddy crop will survive. That night Peter prayed and God gave sufficient rain as an answer to the prayer. From that time when ever Peter go to that village there will be rain and the village people put name to Peter as rain Pastor.

Last week there was a meeting arranged in a new convert Tirumala Rao. There was already heavy monsoon rain for three days. On the way to that village there was heavy rain and Peter prayed just one minute prayer to stop the rain. When he said amen The rain stopped and open air meeting was conducted and Gospel was preached and three persons were delivered from the evil spirits. And two young boys want to take Baptism in the first week of December. God is working even to day just like in the times of Acts

Peter gave 60 bags of rice each ten kilos at Krishna lanka to sixty families near the house church area.

Grace is conceived and now 6th Month pregnant 16 years after Marriage.

of Apostle because when Apostles preached signs and wonders used to follow to establish the word preached.

Ac 4:29 And now, Lord, behold their threatening: and grant unto thy servants, that with all boldness they may speak thy word,
30 By stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus.

ONCE MAOIST IS NOW PASTOR.

Pastor Linga Rao once Nuxlite believed in violence is born again and now preaching Message of peace.

Linga Rao used to attend our Church. God opened his heart and he became child of God and no body know that he is Nuxlite (a group of radical Communist who believes can get power through gun point). One day he surrendered to police and told that he want to live in peace. Last week he gave his testimony to us and invited us to come and preach in Nuxlite area Peter accepted invitation and going in the Month of March 2010.

PASTOR JOHN BABU.

Last year Pastor John Babu came to us and asked us to come to Mellachurvu ten Kilometres to Yerragunta Lambda tribe village. Peter preached in the Meetings and God inspired some local villagers and Land for Church was given freely. God started using John Babu and Enemy also tried to push him

Pastor John Babu obeyed the call of Jesus and went to four hundred kilometers and winning souls for Christ.

away from that village. A group of people came to beat him but God gave him courage to stay in the same village Mellachurvu. One day a widow came and told John Babu that God inspired her to give Rs 50,000/= for construction of church. Church was constructed and for Christmas Peter is going to open the Church and glorify Gods Name in that area. Already fifty souls are added to the Church.

GOOD NEWS TO THE SUPPORTERS OF PASTORS.

There are supporters helping Indian Pastors faithfully for the last ten years. Feed back is coming to us that some of the pastors established two Churches and some are able to get number of souls added to their Churches All the pastors who got support are conveying Christmas and New Years Greetings to their Sponsors.

Francis got support for four years and last week Peter visited his Church and God gave hundred souls to him and He gave Baptisms to eleven people and invited Peter to a Gospel Meeting. He planted another Church in the neighbouring village. And God gave him fifty souls.
